**INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

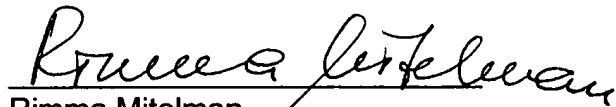

Sir:

Documents relating to the above-identified application are submitted herewith. The following information is intended for the Examiner's information and for citation with the instant case. This submission does not constitute either a representation that a thorough search has been made or an admission that the documents cited herein are properly citable against the above-identified application. Comments accompanying the documents, if any comments are included, are believed to constitute a concise explanation of the relevance of the documents. However, any such comments are not intended to take the place of the Examiner's independent consideration of each document. An attached PTO Form 1449 lists these documents.

Pursuant to MPEP § 2001.06(b) applicants bring the following co-pending applications to the Examiner's attention (copies are also enclosed):

1.           Applicant:     Hsu et al.  
              Serial No.:   10/664,374  
              Filed:        September 17, 2003  
              For:          Process Of Making A Liquid Laundry Detergent With  
                              Polyanionic Ammonium Surfactant
